A Historians Journey

Join Jay Stinnett on the road of happy destiny from researcher to biographer to filmmaker. His multi award winning documentary, Bill W. - Conscious Contact directed by Kevin Hanlon, is the culmination of 30 years of writing and presenting on A.A. history and offers groundbreaking new perspectives on Bill Wilson's spiritual evolution outside of A.A.

Stinnett is an expert on the spiritual antecedents of the 12-step movement and has lectured widely on Bill Wilson and Carl Jung, Dr. Bob and Bill W.'s mystical practices along with breakthrough research on Wilson's contribution to psychochemistry.

From his home in the Fourth Dimension (Sedona, AZ), Jay is an enthusiastic supporter of the Stepping Stones Digital Archive, author of Loving Sober, and longtime member of Initiatives of Change (The Oxford Group).
